

# 2020...States Working Forward

## AMOA State Council Meeting

February 13-15, 2020

Renaissance Tampa International Plaza Hotel—Tampa, FL

### Building Engagement by Sharing Opportunities, Challenges and Successes

The AMOA State Council Meeting is conducted each year to provide states the opportunity to come together to collaborate and share valuable information on legislative and other activity occurring in their respective locations.

Meeting attendees include state association executives, state association volunteer leadership and industry leaders who currently do not have an active state association. Invited attendees include AMOA industry partners and meeting sponsors.

The AMOA State Association Committee is currently putting together an informative program to include topics such as:

—National Legislative Update from AMOA Legislative Counsel, Dentons LLP

—Legislative Panel Discussions to include ways to monitor and track legislation along with ways to engage your membership in establishing and maintaining relationships with your state legislators.

—An update on the Gaming Landscape from around the country

—Round Table Session, this year's meeting will feature a round table session where attendees can roll up their sleeves and take a deep dive into areas of special interest to them. Topics to explore include redemption laws, impact of legalized recreational marijuana, how to encourage member engagement when there isn't a crisis, tips for new or small state associations and more.

—Hot-Button Topics, whether it's new challenges or new opportunities, we'll have an informative panel discussion on the current "hot button issues" from around the country.
